Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 rabbits, two entries into 2 different classes must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries) or proceeding to check-out (submitting the entries, whether fees are charged or not).

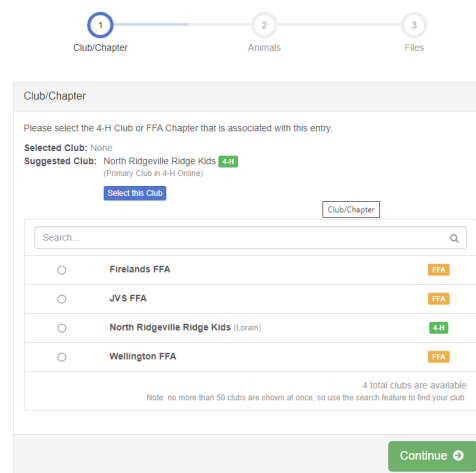

1. Click Add an Entry beside the correct exhibitor (if more than one has been created).

2. Click "Select" beside the first department you wish to enter. Any departments that are not available for entry will be noted as "Not Available" with a short explanation.
3. After you select a department, you will see a list of divisions to select from, and then a list of available classes. *Also notice that there are blue "Change" links in case you mistakenly select an incorrect department, division, or class.*
4. After you have selected the class, click the green Continue button.

5. Select the Club/Chapter associated with the entry.
6. Click continue.

4-H Exhibitors ONLY

If you receive an error message, it is because you are trying to register for a class that is not associated with the 4-H Projects you are enrolled for this year.

Please refer to the Project Completion and Fair Requirements Guide for additional information on what Fair classes your 4-H Projects are eligible to enter.

- If this is an **animal class entry**, you may specify which animal will be exhibited in this class; you will see the option to “Add an animal”, then “Enter a New Animal Record”.

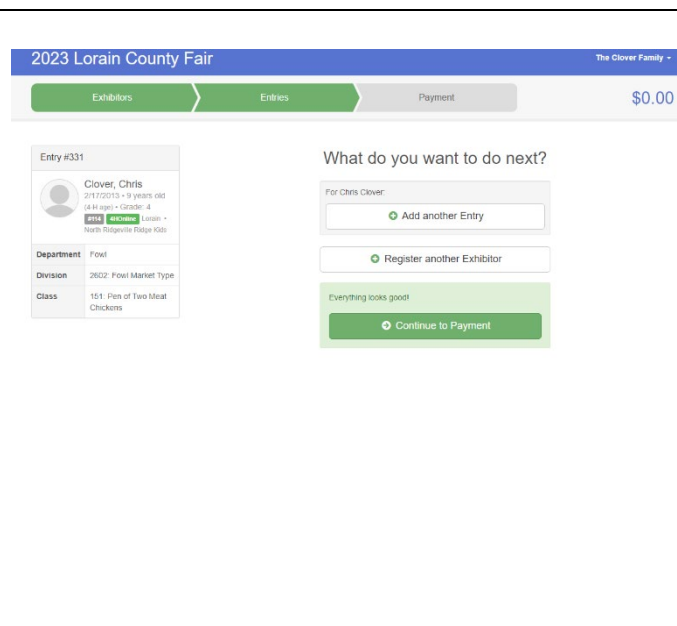

If you are submitting in a Department that allows two or more animals, you must repeat the class entry process before the system will allow you to enter the second animal.

All animals entering a **BBR** class MUST complete and turn in a paper [BBR Registration](#) form by the entry deadline.

- Any questions related to entry in this class will be next. Click Continue after answering those questions.

The Review screen allows you to double check this entry for accuracy and make any changes necessary. When the information is correct, click Continue and that class entry is complete.

9. When each class entry is complete, you have 3 choices for what to do next:
- If all class entries have been completed for one exhibitor, you can **Register another Exhibitor** in this family.
 - If this exhibitor has more class entries to make, you can **Add another Entry for this Exhibitor**.
 - If all entries for all exhibitors in the family have been completed, click **Continue to Payment** to finalize and submit your entries.

Lorain County Junior Fair Market Livestock / Exhibitor Photos

When making Jr. Fair Class Entries, Market Animal Exhibitors may upload a high-resolution photo of themselves standing next to their animal. This is something that Jr. Fair may consider in the future for animal identification purposes.

Here are the details:

- Photo should be horizontal orientation, example:
- Photo must include both the member and their animal project.
- Photo must be .jpg format and high-resolution.
- Photo should be taken close to the entry deadline so the size of the animal(s) is close to Fair size.
- Choose a brightly lit area for taking the photo. Outdoors on a sunny day or evening is recommended. Make sure you're not blinded or squinting by looking into the sun.
- Dress Code for Photos
 - Wear school or livestock show appropriate attire such as clean pants, shirts, skirts, or dresses that fit properly. Shorts and Capri pants are not allowed. Skirts and dresses must be fingertip length or longer.
 - Clean shirt or top that fits properly. Tops, sundresses, etc. must have shoulder straps of 1-inch or wider. No hats or flip flops may be worn.
 - Writing or images on clothes that may be considered offensive or inappropriate are not allowed. Exhibitors are not permitted to wear any type of commercial advertisement or names on their clothing, 4-H or FFA logos are permitted.
- If your photo does not meet requirements, a new one may be requested. Jr. Fair Officials reserve the right to replace any photo submitted with a 4-H or FFA logo if the photo(s) submitted fails to meet requirements listed above.
